CITIZENSHIP FOR ALIENS IN ARMY

WILL REMOVE THE STIGMA OF ENEMIES FROM THOUSANDS OF MEN

WASHINGTON, May 16.—In cooperation with the army general staff, the naturalization bureau of the department of labor has set in motion carefully prepared plans to secure the speedy enforcement of the act approved by President Wilson Saturday night which almost immediately will confer American citizenship on 123,277 aliens now in the national army.

Through neglect or ignorance of the terms of the old naturalization law many aliens now classed as enemies failed to complete applications before the United States closed their doors to further proceedings under that law.

Provost-General Crowder's figures show that in the first draft 457,703 aliens were called and of these 76,545 were certified for service.

PRESIDENT DECLINES TO CHANGE DRAFT PLANS

WASHINGTON, May 16.—President Wilson today declined to veto the bill passed by congress changing the basis of army draft quotas from state population to the number of men in class 1 because of objections to the elimination of the plan for giving credits for volunteers.
